Graduate Electronics & Electrical Engineer

Portfolio: www.hamed.engineer

SUMMARY

Seeking a challenging role in electronics whereby I can learn from professionals to continue to grow my own skills. I'm passionate about electronics, sustainability, and renewable energy. I am a final year Electronics & Electrical Engineering student in Leeds, graduating this summer. I have a YouTube channel with 250+ videos and 2000+ subscribers where I document all my projects and studies.

CORE SKILLS

Circuit Design & Analysis – Multisim, EAGLE, KiCad, PCB Prototyping, Fault Finding, Soldering, Analogue Circuits, Digital Circuits

CAD Software – Fusion 360, AutoCAD, SOLIDWORKS

Power Electronics – Rectifiers, Inverters, Renewable Energy Generation, Battery Management, Three-Phase Analysis, Motors

Programming – Robotics Using C, Console-based C, PLC Programming, STM32 Hardware, ARM Assembly, Raspberry Pi

Instrumentation & Control – Siemens TIA Portal, LabVIEW, MATLAB, Simulink, Stateflow, Flexsim

Communication – Analogue Filters (RC Filters), Digital Filters, Digital Signal Processing, Spectrum Analysis, Fourier Analysis

EDUCATION

Electrical and Electronics Engineering

Leeds Beckett University, Leeds - *Grade: 1st (Predicted)*

Sept 2019 - May 2022

Software Development

City and Islington College, London - *Grade: Distinction*

WORK EXPERIENCE

Energy Broker - Self-Employed, Bradford - 2016 - PRESENT

Operating a business that helps small business owners & managers manage their energy contracts. Overseeing the renewal process, complaints handling and future planning.

Energy Broker - Utilisave Ltd, Birmingham - 2015 - 2016

Managed a portfolio of customers, helping existing and new business customers get the best rates on their energy, also providing advice and managing customer service.

Fundraising Team Leader - British Red Cross, London - 2014

Coordinated a team of 3-10 fundraisers, planned the day, organised training events, provided support and mentorship.

Sales Rep/Team Leader/Director - Appco UK, London - 2010 – 2014

Developed a team of 15 charity fundraisers. Was directly in charge of training, coaching, and managing a team. Conducted daily team meetings; trained new staff and mentored trainers. Achieved promotion to Sales Director after consistently generating £45,000 a week for a variety of charities.
